

IBM® Sterling B2B Integrator/GIS

EDI Specialists, a leader in the B2B/EDI and EAI services and staffing industry, has provided many, diverse clients with full implementation support on the IBM® Sterling B2B Integrator (SI) platform. IBM® Sterling B2B Integrator™ was previously known as Gentran Integration Suite™ (GIS).

Our IBM® Sterling B2B Integrator Team includes some of the foremost experts in the world. They are seasoned EDI/EAI/ERP veterans, fully versed in SI development, implementation and use of the SI software. Our consultants possess the knowledge and experience to insure success.

We take pride in our ability to mentor, transfer knowledge and bring your own internal resources to a level enabling them to further develop and support your environment.

If your company is planning to purchase IBM® Sterling B2B Integrator, or would like an assessment of how well your SI system has been implemented, and is being used, call EDI Specialists.

EDI Specialists, Inc. is a vendor neutral company and does not endorse any single product or service. We work with all EDI, EAI and B2B platforms.
