

Referral Program Overview

EDI Specialists, Inc. has been a leader in the e-Commerce staffing industry since 1994. This program will reward our Partners for any referrals where we establish a new account and place direct hires (permanent positions) or contractors.

How much money can a Partner earn?

There is no cap on what each partner can earn. Our Partners will be paid a fee once the placed candidate completes one full month of employment at the end client.

If you send EDI Specialists a referral opportunity, and we are able to fill the requirement, you will receive \$250.00 for each referred placement.

Moreover, if you make a personal introduction between an EDI Specialists' team member, and a decision maker at the end-client, we will pay \$500.00 for each influenced placement.

What types of sales are you paid on?

EDI Specialists will pay for any permanent or consulting requirement that we are able to fill. Partners will be provided with marketing collateral if desired.
